Mr. Doug Fisher
NKH Life Safety L.L.C.
VP Operations/Sales
1008 Beacon street
Cincinnati, Ohio 45230

Dear Doug,

The members and staff of Kenwood Country Club are pleased to be associated with you, your company, and the Medtronics A.E.D.s.

The safety of members, guests and staff are of utmost importance. We at Kenwood Country Club have a sense of security knowing that the Clubhouse, Tennis Pavilion, Grounds Center, as well as the golf courses, have automated external defibrillators on site and in working order, with trained staff to administer CPR , should the situation arise.

We appreciate your guidance in assisting us with the establishment and maintenance of our A.E.D./C.P.R. Programs.

I would be happy to share our experience with anyone who wishes to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Craig A. Kapitz'.

Craig A. Kapitz CCM
